

Town Manager's Report

May 8, 2017

5-7 Main Street Update

The Town received approval to demolish these buildings on April 28, 2017 from the Vermont Division for Historic Preservation. The asbestos assessment has begun and a cost estimate for the demolition is being calculated.

VTrans Grants Awarded

\$24,300 has been awarded for preliminary engineering to replace bridges on Cutler and Massey roads.

\$51,840 has been awarded for the paving of Elm Street in North Springfield, a class II road.
