

Town Manager's Report

June 10, 2019

2019 Paving Update

Springfield Paving was the low bidder for this year's paving and work is scheduled to begin on June 10th.

Springfield Recycling & Transfer Station Changes Beginning July 1, 2019

- Annual stickers will need to be placed in the lower driver's side corner of vehicle windshields to enter the Transfer Station.
- Stickers are available for purchase now for \$25 at the Springfield & Chester town offices. Stickers for a second vehicle in the same household are \$5 each.
- The green tickets for disposing of trash will be replaced by a punch card.
- Trash will no longer be weighed.
- Punch cards will be available on Monday, June 10 for \$15 each at the Springfield & Chester town offices, and at participating area merchants.
- One punch = One 30-gallon bag/container or equivalent amount.
- Each card = four punches.
- The green tickets presently in use will be honored until the tickets in circulation are depleted.
- Seven green tickets = One 30-gal. bag/container.

- There are common public misconceptions about the amount of the cost increase for household trash disposal.

Currently a 25 pound container disposal costs \$3.38 (\$0.135 per pound).

The new cost of a 30 gallon container containing 25 pounds will cost \$3.75 an increase of \$0.37.
