

Town Manager's Report

August 12, 2019

Bakery Building Update

This building was sold to Bakery Building LLC on August 5th. Bakery Building LLC now has the funds to demolish the building and the asbestos has been already been removed. Bakery Building LLC plans to demolish the building and create a grass covered slope.

Police Chief Hiring Process Status

The first round of interviews is complete. Two (2) final candidates were chosen and they will be interviewed on August 14th.

South Street Sidewalk

Nearly all the new sidewalk has been poured. There were two (2) areas that required design changes and the design changes are going through the VTrans approval process.

Town Website Upgrade

We recently upgraded the Town's website to the latest standard available, known as Responsive Web Design. In addition to being more efficient & legible, it's designed to be usable on any device.

Paving Update

The installation of the first layer of new pavement began on the milled streets on August 5th. Work will continue with crews from both the Town and pavement contractor doing the work.

Main Street Community Center

The elimination of the second story windows along Main Street and on the northern end of building is scheduled to begin on August 12th. There will be a change in the Main Street traffic pattern to enable the work's completion.

Town Forest Timber Sale

The timber sale is 50% complete and the progress payments have been made.
