Mr. Roger J. Clark
100A Plain Street
Rutland, VT 05701

Dear Roger,

We are sending this same letter to you and to Fred Clark.

Roger recently inquired at the Springfield Town Clerk's office about availability of space in the Clark family lot at the cemetery and was told that we are responsible for allocating the unoccupied spaces. We hold the original deed because we bought the lot in Lauren and Charlotte Clark's names when Luther died.

Here is a photocopy of the deed. It is for burial lot #36, Tier 6, Ward H. in Oakland Cemetery in the Town of Springfield, Vermont. As you can see, our name is not on it. However, there must be some form of notation on the Town Clerk's records indicating that we have to give permission or they wouldn't have told Roger so.

We have made arrangements for cremation and for our cremains to be placed in the columbarium at the Church Of The Red Rocks at Sedona, Arizona. So we will release a space in lot #36 to each of you. We suggest that you get together and decide on the space you will have. Dorothy Clark Pease has a headstone on one of the other four spaces. Fred, we know, wants to be buried next to his father. Hope that is possible.

When you have made your choices would you send us a diagram of the lot, showing where each body is now and where the others will be.

We think it is wise for both of you to make your funeral arrangements now, including selection of the burial space. We hope it will be a long time before either of you occupy that beautiful plot.

Our love,

Betty Bob
