

Cemetery Commissioner's Meeting Aug 2, 2017

Meeting started at 5:03pm

John Swanson, Hugh Putnam, and Jerry Patch were present.

John asked whether a GAR marker could be obtained for a grave in Summer Hill. Jerry said he would look into it as he would be attending a VFW meeting later this evening.

Hugh mentioned that Mrs. Cooper asked why there were no flags placed at the Walker Gill Cemetery. Jerry said he would look into this as well. Hugh, also, mentioned that there had been head stones knocked over and needed to be fixed.

John brought up that the weedwacking had not been done at Summer Hill and a tree had been cut at the same location.

The Town Manager mentioned that 2 trees had been taken down in Oakland. Also, the work on the tomb there had been completed.

Hugh made a motion to accept last month's minutes and John seconded it.
