

Town Manager's Report

April 8, 2019

South Street Sidewalk

A construction contract has been signed with Pine Hill Construction, Charlestown, NH. for this project and construction will start before the end of April or shortly thereafter. The project involves approximately ½ mile of sidewalk replacement beginning at Union Street and extending to the High School.

Comtu Cascade Park Bids Received

The lowest bid was 8% over the project cost estimate. As previously planned, construction will begin this summer and a portion of the park will be built. Contract negotiations will begin on April 9th with the goal to arrive at an agreeable scope of work for this summer. Additional grant applications have been submitted. If additional grants are awarded, additional work corresponding with amount of new funds will be added to the project.

2019 Paving Plan

The following chart displays what paving is planned to be subcontracted this year. In addition to paving listed below, other paved areas that were severely damaged this past winter will be paved by the Public Works Department with town equipment and town employees. The paving plan is subject to changes based upon 2019 paving prices and other factors. Bid Documents will be issued during the week of April 8th.

	Street	Paved & Milled	Paved Only
1.	Boynton Drive		X
2.	Clark Street		X
3.	Damon Road	X (partially milled)
